

## **Federal Life Group, Inc. Announces Filing of Form 25 to Voluntarily Delist its Common Stock**

April 4, 2019

RIVERWOODS, Ill., April 04, 2019 (GLOBE NEWSWIRE) -- Federal Life Group, Inc. (the "Company") (Nasdaq: FLF), the holding company of Federal Life Insurance Company, today announced that it had voluntarily filed with the Securities and Exchange Commission a Form 25, Notification of Removal of Listing and/or Registration Under Section 12(b) of the Exchange Act. As a result of the Form 25, the Company's shares will be delisted from the Nasdaq Capital Market no earlier than ten days from the date of filing, which is anticipated to occur on or about April 14, 2019. The Company expects its deregistration under Section 12(b) of the Securities Exchange Act of 1934 (the "Exchange Act") to become effective 90 days after filing the Form 25.

Following the delisting, the Company anticipates that its common stock will be quoted on the OTC Pink Open Market (the "Pink Sheets"), a centralized electronic quotation service for over-the-counter securities, so long as market makers demonstrate an interest in trading in the Company's common stock. However, the Company can give no assurance that trading in its common stock will continue on the Pink Sheets or any other securities exchange or quotation medium.

Further, on or about April 15, 2019, the Company intends to file a Form 15 with the SEC to suspend the Company's reporting obligations under Section 15(d) of the Exchange Act.

The Company's Form S-1, declared effective by the SEC on November 6, 2018, relating to the Company's initial public offering discussed the additional financial, reporting and corporate governance requirements associated with being a listed, reporting company, and the significant commitment of additional expense and other resources that would be required. The disclosure went on to state that, as a result, the Company and the standby purchaser of shares would likely seek to delist the Company's shares from Nasdaq and end the Company's reporting obligations under the Exchange Act. In line with this disclosure, after review and careful consideration of the administrative burden and costs and benefits of being a listed, reporting company, the Company's Board of Directors has made the decision to delist its common stock and suspend its reporting obligations under the Exchange Act. The savings derived from this change are expected to be financially meaningful.
